| Total due for degree | - | | | | 81,535 |

- **Length of time to earn degree:** 24-27 months
- **If an MS Thesis student establishes WA State Residency, they will pay Resident tuition rates, which are approximately 40% of the Non-Resident tuition rate used above.** See here for residency eligibility information: [https://registrar.washington.edu/students/residency/](https://registrar.washington.edu/students/residency/)
- **MS Thesis students may seek RA and/or TA positions outside the Department of Biostatistics; information about compensation and tuition waivers for such work would come from the hiring department.**
- **Rates as of 3/15/2023. Rates are subject to change without notice but represent best estimates based on current rates and historical trends.**
